

The Sweet Taste of Spring

Let Your Group Experience the History, Production, and Taste of Maple Syrup
Tuesday, March 21st to Friday, April 7th, 2017

On Your Tour:

- Learn about maple syrup from the roots up
- Explore the history of Maple Syrup
- Visit our Sugar Shack with working evaporator
- Meet Bart the Beaver (puppet play)
- Sample Maple Syrup

Attention: Day Care Centres and Nursery Schools

It is Spring and the sap is running in The Highlands Outdoor Education Sugarbush. We invite you and your little ones to join us on a **one hour tour** exploring the production of maple syrup.

This **tour** starts with an **interactive puppet show** on 'how to tap a tree', featuring Bart the Beaver. The children will then experience the Native American, Pioneer, and Modern methods of producing maple syrup while on a short hike through a Niagara Escarpment sugar bush. During the tour each child will also have a chance to taste a maple syrup product. .

Extend the maple syrup production experience through a hardy lumberjack lunch! Our Lumberjack Special includes two mouth watering pancakes, two sausages, and of course maple syrup. The Babyjack Special is one pancake and one sausage. The Lumberjack Special is \$5.00 extra per person and the Babyjack special is just \$3.00 extra.

Fee: \$5.00 per child

Leaders and parents are encouraged to come on tours, free of charge.

Extra: Lumberjacks \$5.00 per person, Babyjacks \$3.00 per person

Dates available: Tuesday, March 21st, through to Friday, April 7th, 2017

Leaders and parents are encouraged to come on tours, free of charge.

To Book, please contact The Highlands Outdoor Education Centre to arrange your time and date.
